

Beyond The Matrix

Read Me

Here are the instructions to use the "Beyond The Matrix" presets for Arturia MatrixBrute.

1 CONTENT OF THE ARCHIVE

- Readme [.txt]: current text file.
- Beyond_The_Matrix [.mbprojz]: MatrixBrute project to transfer with the Arturia MIDI Control Center

2 HOW TO USE

2.1 Importing the "Beyond The Matrix" sounds in your MatrixBrute

- MIDI Control Center installation:
 - Download the Arturia MIDI Control Center from this page: <https://www.arturia.com/products/matrixbrute/resources>
 - Launch the file and follow the different steps to get it installed on your computer
 - Launch the MIDI Control Center
- Transferring the presets:
 - In the product list (top-left corner) select the MatrixBrute
 - Connect your MatrixBrute to your computer
 - In the left part of the Matrix View, click on the "Import" button then "Import New Project"
 - Select the file Beyond_The_Matrix.mbprojz. This will create a new project named "BeyondTheMatrix" (vertical list on the left)
 - Select the new project "BeyondTheMatrix". This will display the related presets in the matrix aside the list.
 - You can then transfer those presets in the MatrixBrute memory by simple drag-and-drops of an individual preset, a row (bank) or the whole project.

⚠ Pay attention not to overwrite contents that you would like to keep ⚠
